

Un-Breakfast

**This year, the San Leandro Education Foundation invites you to **NOT** have breakfast with us.**

For health and safety concerns, we must once again postpone our annual in-person Breakfast.

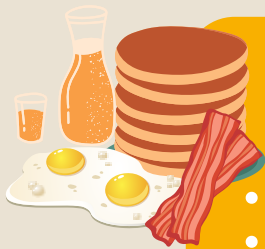

**But the need for student enrichment and program funding is greater than ever.**

Our (non) event will consist of a month-long fundraising and awareness campaign, culminating in a special video presentation on April 29 that highlights SLED programs, student success stories, and how our work (and our local business sponsors!) make an impact on local students.
